NURSE TRAINING COURSE

This course is designed for nurses who use the **da Vinci S** Surgical System. The course consists of didactic and practical skill applications covering the components and use of the **da Vinci S** surgical system and **EndoWrist** instruments.

Additionally, a training laboratory is conducted providing utilization of the **da Vinci S** surgical System for key technical System skills as a coordinator. Surgical team roles, responsibilities and emergent management of the **da Vinci S** Surgical System are emphasized.

Registration: \$3,000 per team of 2 to 4 nurses

- Fee covers all program instruction, materials and scheduled meals
- Attendees are responsible for their travel, lodging and additional meals
